

Eidos de Padriñán Albariño 2008

Adegas Eidos

Padriñán, Sanxenxo — D.O. Rias Baixas

THE WINERY

Founded in 2000 by local grower Manuel Villalustre, with a state-of-the-art facility completed in 2003, located in Padriñán parish at the southern extreme of the Val do Salnés. Twenty acres of old Albariño vines in 100 separate parcels located amongst the gardens of Sanxenxo overlook the sea on a southerly slope protected from the north winds. Superb fruit results from which the region's most concentrated and intense wines are obtained.

THE WINE

"Eidos" are the backyard garden arbors constituting the traditional Albariño vineyard. Selected grapes from vines over 50 years are destemmed, crushed and macerated under temperature control for maximum aromatic extraction. Natural yeasts are encouraged for a prolonged fermentation, the wine bottled beginning in April following the vintage after extended contact with the fine lees. Richly textured and exotically intense Albariño, the salty sea breeze and granitic levels evident in a mouthwateringly mineral finish.
